

# Nextdoor.com Info & Tips

## **Nextdoor.com is safe:**

- You must be invited or have your address verified to join
- Individuals who are on Megan's List will not be able to sign up
- Only the information you choose to share will be posted
- Only residents in your neighborhood have access to this site\*  
\*In the future, you will have the option to share your posts with other neighborhoods
- Nextdoor has been endorsed by the Livermore Police Department

## **Nextdoor.com is effective:**

- Nextdoor drastically improves real-time communication regarding local crimes, etc.
- Nextdoor can provide a strong referral network for trustworthy, reliable service providers
- Nextdoor connects you with your neighbors; more and more residents are joining daily
- Nextdoor makes it easy to join groups, post news, invite members to events, etc.

## **Tips for making Nextdoor work for you:**

1. Customize your settings to reduce incoming e-mails  
[Your Name] > [Settings] > [Email] > Choose your options
2. Use [REPLY] to respond to a posting when your response is relevant to all viewers (i.e.- "All are welcome. Doors open at 7 pm.") Click on the person's name and use [SEND MESSAGE] to respond directly to the person posting (i.e. "Thanks. I'll see you tonight.")
3. Post in the appropriate category for best response
4. Create or join a group
5. Scroll the Homepage to find "stacked" postings
5. Invite neighbors to join (top right of your home page)
