Forest Glade Estates Newsletter

April 2010 - www.forestgladeestates.org

Annual Dinner & Business Meeting

The FGE Annual meeting will be held on **Saturday, June 5th** from 4:00-7:00 pm in Jean Shuler's driveway - 1804 Old Tower Road.

The festivities and entertainment will begin at 4 pm, complimentary dinner at 5 pm, and a short business meeting at 6 pm, followed by a guest speaker.

FGE will provide Lasagna, french bread, beverages (wine, soda, water), ice, plates, plastic ware, and napkins. Homeowners are encouraged to bring an appetizer, a salad, or a dessert to share with neighbors.

Music will be provided by Tim Barry and Kevin Gunn of *The Lads of Forest Glades*.

Redwood Tree Problems

The easterly redwood tree on the island at the corner of Old Tower Rd and McGlinchey Rd is showing severe signs of dying (brown needles) but our tree horticulturalist says that heavy watering may bring it back to life. The sprinkler duration has been increased and new green growth is coming out so the tree should recover.

Another tree on the island south of 1804 Old Tower Rd has "crown rot" (generally a fatal plant disease) but no action appears to be necessary at this time.

Would You Like to be on the FGE Board of Directors?

Candidates are being considered for election to the FGE Board of Directors. It's fun, it's educational, it's a little bit of work, and you get to meet a lot of nice people who are your neighbors. Call one of the current board members (listed on the left) or simply come to the next Board Meeting. No obligation.

Fox Sighting

Grey Fox

It appears that a Grey Fox has been sighted several times in our neighborhood and could be easily mistaken for a Coyote. The Livermore Animal Control says that Grey Foxes are **not** aggressive toward humans. Coyotes are also **not** aggressive toward humans but they recommend in either case that residents keep their cats and other small animals indoors in the evening. In particular, do NOT leave animal food out where the fox or coyote could feed. Both wild animals are known to become aggressive when protecting food.

Garden Work Party

Garden Work Parties are planned for the second Saturday of each month at 8:30 a.m. and volunteers should meet near the tennis court.

The next work parties are scheduled as follows:
Apr 10, May 8, Jun 12, & July 10.

Meet Our New Homeowners Peter & Kristy Haugen

Peter & Kristy Haugen

Peter & Kristy are our newest neighbors at 982 Mendenhall Dr. They are both engineers - one at LLNL and other at Fabco Automotive Inc. They are also fun folks to meet. Please say hello when you see them walking around FGE.
