Harvest Barbecue

The annual Harvest BBQ was held on October 9th at the west end of Creek Road. About 40 residents were in attendance and were entertained by Kevin Gunn on the keyboard. Photos are below.

Holiday Season Open House

Scheduled for Sunday December 12th from 3-6 pm. Three homeowner's have indicated a keen interest in participating by opening their home for this event. However, other residents wishing to open their home, should contact Kevin Gunn or Jean Shuler to discuss details. FGE will supply all alcoholic and non-alcoholic beverages and residents are encouraged to provide finger-food.

This is a great opportunity to socialize, meet your neighbors, and enjoy the holidays.

Redwood Trees

Extensive watering of the small island at the intersection of McGlinchey Drive and Old Tower Road has saved the redwood trees. The photos below show the tree condition before and after water. The initial brown needles indicated to nearly everyone that the tree on the left was dead and should be removed. However, water 4-5 times/day for several months has brought it back to a healthy condition.
