Livermore Beautification Award

The City of Livermore Beautification Committee, Chaired by Jennifer Freitas, gives out Appearance Awards each year in a number of categories. **George & Hannah Farquar's** home (1951 Creek Road) won an award in the Landscaping category. The award was signed by the mayor.

Congratulations **George & Hannah**.

Neighborhood Watch

Wayne Miller distributed "Neighborhood Watch" signs to all residential homes. Thank you Wayne.

Wayne also confirmed that Livermore is upgrading street lights with LED lights. An example of the new streetlights can be seen southwest of the intersection of Portola Ave and N. Livermore Ave (Portola Park).

Jim Mackanic recently had a conversation with Mu-

hammad Pournia the City Engineer responsible for street lights who said that the street lights we currently have were never changed. We may simply be experiencing a natural dimming over time. The City currently has no plans to change our lights.

New Neighbors

Our newest neighbors are Aubrey (age 2), Scott, and Ashley Moore, 1775 Old Tower Road. They are expecting a new baby boy on December 17 who will be named Deegan.

Scott works for Hormel Foods in San Leandro and Ashley is a Critical Care Nurse at Kaiser, Walnut Creek.
