Holiday Open House

The Holiday Open House was hosted by **David & Nan LeVesque, Paul & Pauline Thompson, and Raymond & Elizabeth Gilmore**. We sincerely wish to thank them for opening their homes during the Holiday Season.

Attendance was good and estimated to be 50-60, and generally comparable to previous years. **Tim Barry** and **Kevin Gunn** played their guitars and keyboards during the event. Several photos of the festivities are shown on the second page of this Newsletter.

FGE Entrance Signs

Our historic and beautiful Forest Glade Estate entry signs are beginning to show some signs of age. Constant watering during the summer months has resulted in several of the signs showing signs of rotting legs. We now have an estimate from the same company who originally constructed our signs and our Board will be considering whether to have new signs constructed and installed.

Stolen Mail

In January five homeowners on Old Tower Road and Creek Road had their mail stolen from their mailboxes. The stolen mail was scattered along the bike path and tennis court. Items from banks and other financial institutions were opened. Residents have reported the incident to police and post-office officials. One resident has purchased an infrared motion-detection camera and is experimenting

with placing the camera at various locations where it is able to observe selected mailboxes at night. The intent being to photograph the perpetrators and to document the theft.

New Treasurer Appointed

Jim Wang our FGE Treasurer for many years has stepped down and Wayne Miller has graciously accepted this position? Thank You Wayne.

Home or House Sitting

Rose McCallen (FGE resident) is looking for homeowners who would be willing to open their home for two graduate students to perform house sitting this summer. The two students (from UC Davis) are looking for housing while they work at LLNL this summer.

Carly Arthur, is a UC Davis - Civil Engineering student who is looking for possible house/animal sitting opportunities in Livermore this summer while homeowner's are on vacation.

Carly grew up on a ranch with horses and lots of animals. **Carly** can be contacted at (530) 774-3160, cwarthur@ucdavis.edu. Housing is needed from 7/6/15 - 9/4/15.
